## **Carey stands out in M&A in Chile according to Latin Lawyer**

According to the latest report on mergers and acquisitions in 2017 prepared by the British publication Latin Lawyer, Carey was the Chilean law firm with the best participation.

From the deals that were informed, Carey led both the table by volume of operations, with USD10,114 million worth of transactions, as well as the table by quantity, with 40 deals, almost doubling its closest competitor.
